CTE Leadership Academy Regional Meeting

The CTE Leadership Academy will be holding the first virtual regional meeting via a webinar at 4:00 p.m. on Wednesday, November 7. The purpose of Academy regional meetings is to help current and prospective CTE leaders form a community of practice with other CTE leaders and our industry allies.
This virtual regional meeting will feature guest speaker Ashley Aleman of Nepris, who will talk about how schools are helping students engage with workplace experts in every industry sector they want to explore. Laura Smith of Louisiana Council for Economic Education will then describe a series of innovative best practices implemented by members of the Academy's in-person training cohort.
